

Stevenage South Primary Care Network

If you have symptoms of corona virus, you should dial 111. If however you feel unwell for any other reason: --

It's still important to get medical help if you need it.

There are ways to get medical help and prescriptions online or over the phone.

Stevenage South Primary Care Network is made up of the surgeries in Bedwell and Roebuck , King George, Marymead and Knebworth, and Shephall.

Don't delay If you need medical help, telephone the surgeries on their usual numbers. Initial appointments will be by telephone or video call. If necessary, you will be asked to attend the surgery. All appropriate precautions are taken to ensure no transmission of Covid-19 to patients or from patients to health care staff.

Each surgery has its own website with more information

The Knebworth and Marymead Practice now operates an online consultation service called eConsult. You can access eConsult 24 hours a day, 7 days a week. The system will take you through a series of questions related to your symptoms exactly as a doctor would in a face to face consultation. Under normal circumstances you will receive a reply by the end of the next working day. (A doctor or other healthcare professional may contact you for further information)

It's still important to get medical help if you need it.
